Ohio Mutual Continues Trend of 'Best-in-Class' Employer Recognition

BUCYRUS, OH – Ohio Mutual Insurance Group has once again been recognized by Avatar HR Solutions, a national human resources research firm, as a “Best in Class” employer for Overall Job Satisfaction and for Employee Engagement, based on results of a recent study.

These awards are given to organizations whose scores are in the top 10 percent of all Avatar HR Solutions customers, based on anonymous surveys of client associates conducted by the company.

“We track our associates’ engagement and job satisfaction by conducting regular anonymous surveys, and the results of our most recent survey demonstrate that our intentional efforts to be an employer of choice in the insurance industry continue to be well-received by our associates,” said Mike Horvath, vice president of Human Resources. “In order to provide the best products and best service to our customers, we recognize the need to attract the best individuals to Ohio Mutual – this recognition aligns with our efforts and expectations.”

Ohio Mutual has received “Best in Class” recognition for the past three surveys.
